---

### Lake Members:

**The Hog Roast is a new idea** - we'll try it this year and see how it goes! It has been always a fun event and this year we hope to add to it by making it more of a family event/picnic in the early and a party later! Unfortunately, raising funds is also become an important part of the event over the years. The Milfoil treatment costs in 2009 are probably going to exceed \$12,000. We need great participation and a good turnout in order to make it a great evening of fun for everyone associated with Little Birch Lake!!!!

**Road Side Clean Up: Saturday, Sept 12, 2009 - 1 pm.** It is always tough cleaning road ditches in the fall – the tall grass, hot weather, etc. If we can get a lot of people, it can be done in 15-30 minutes. You can go home, take a nap and then fill the tummy at the Hog Roast! President, Pete Linsner
